

Collection 2024

Welcome to PicnixX

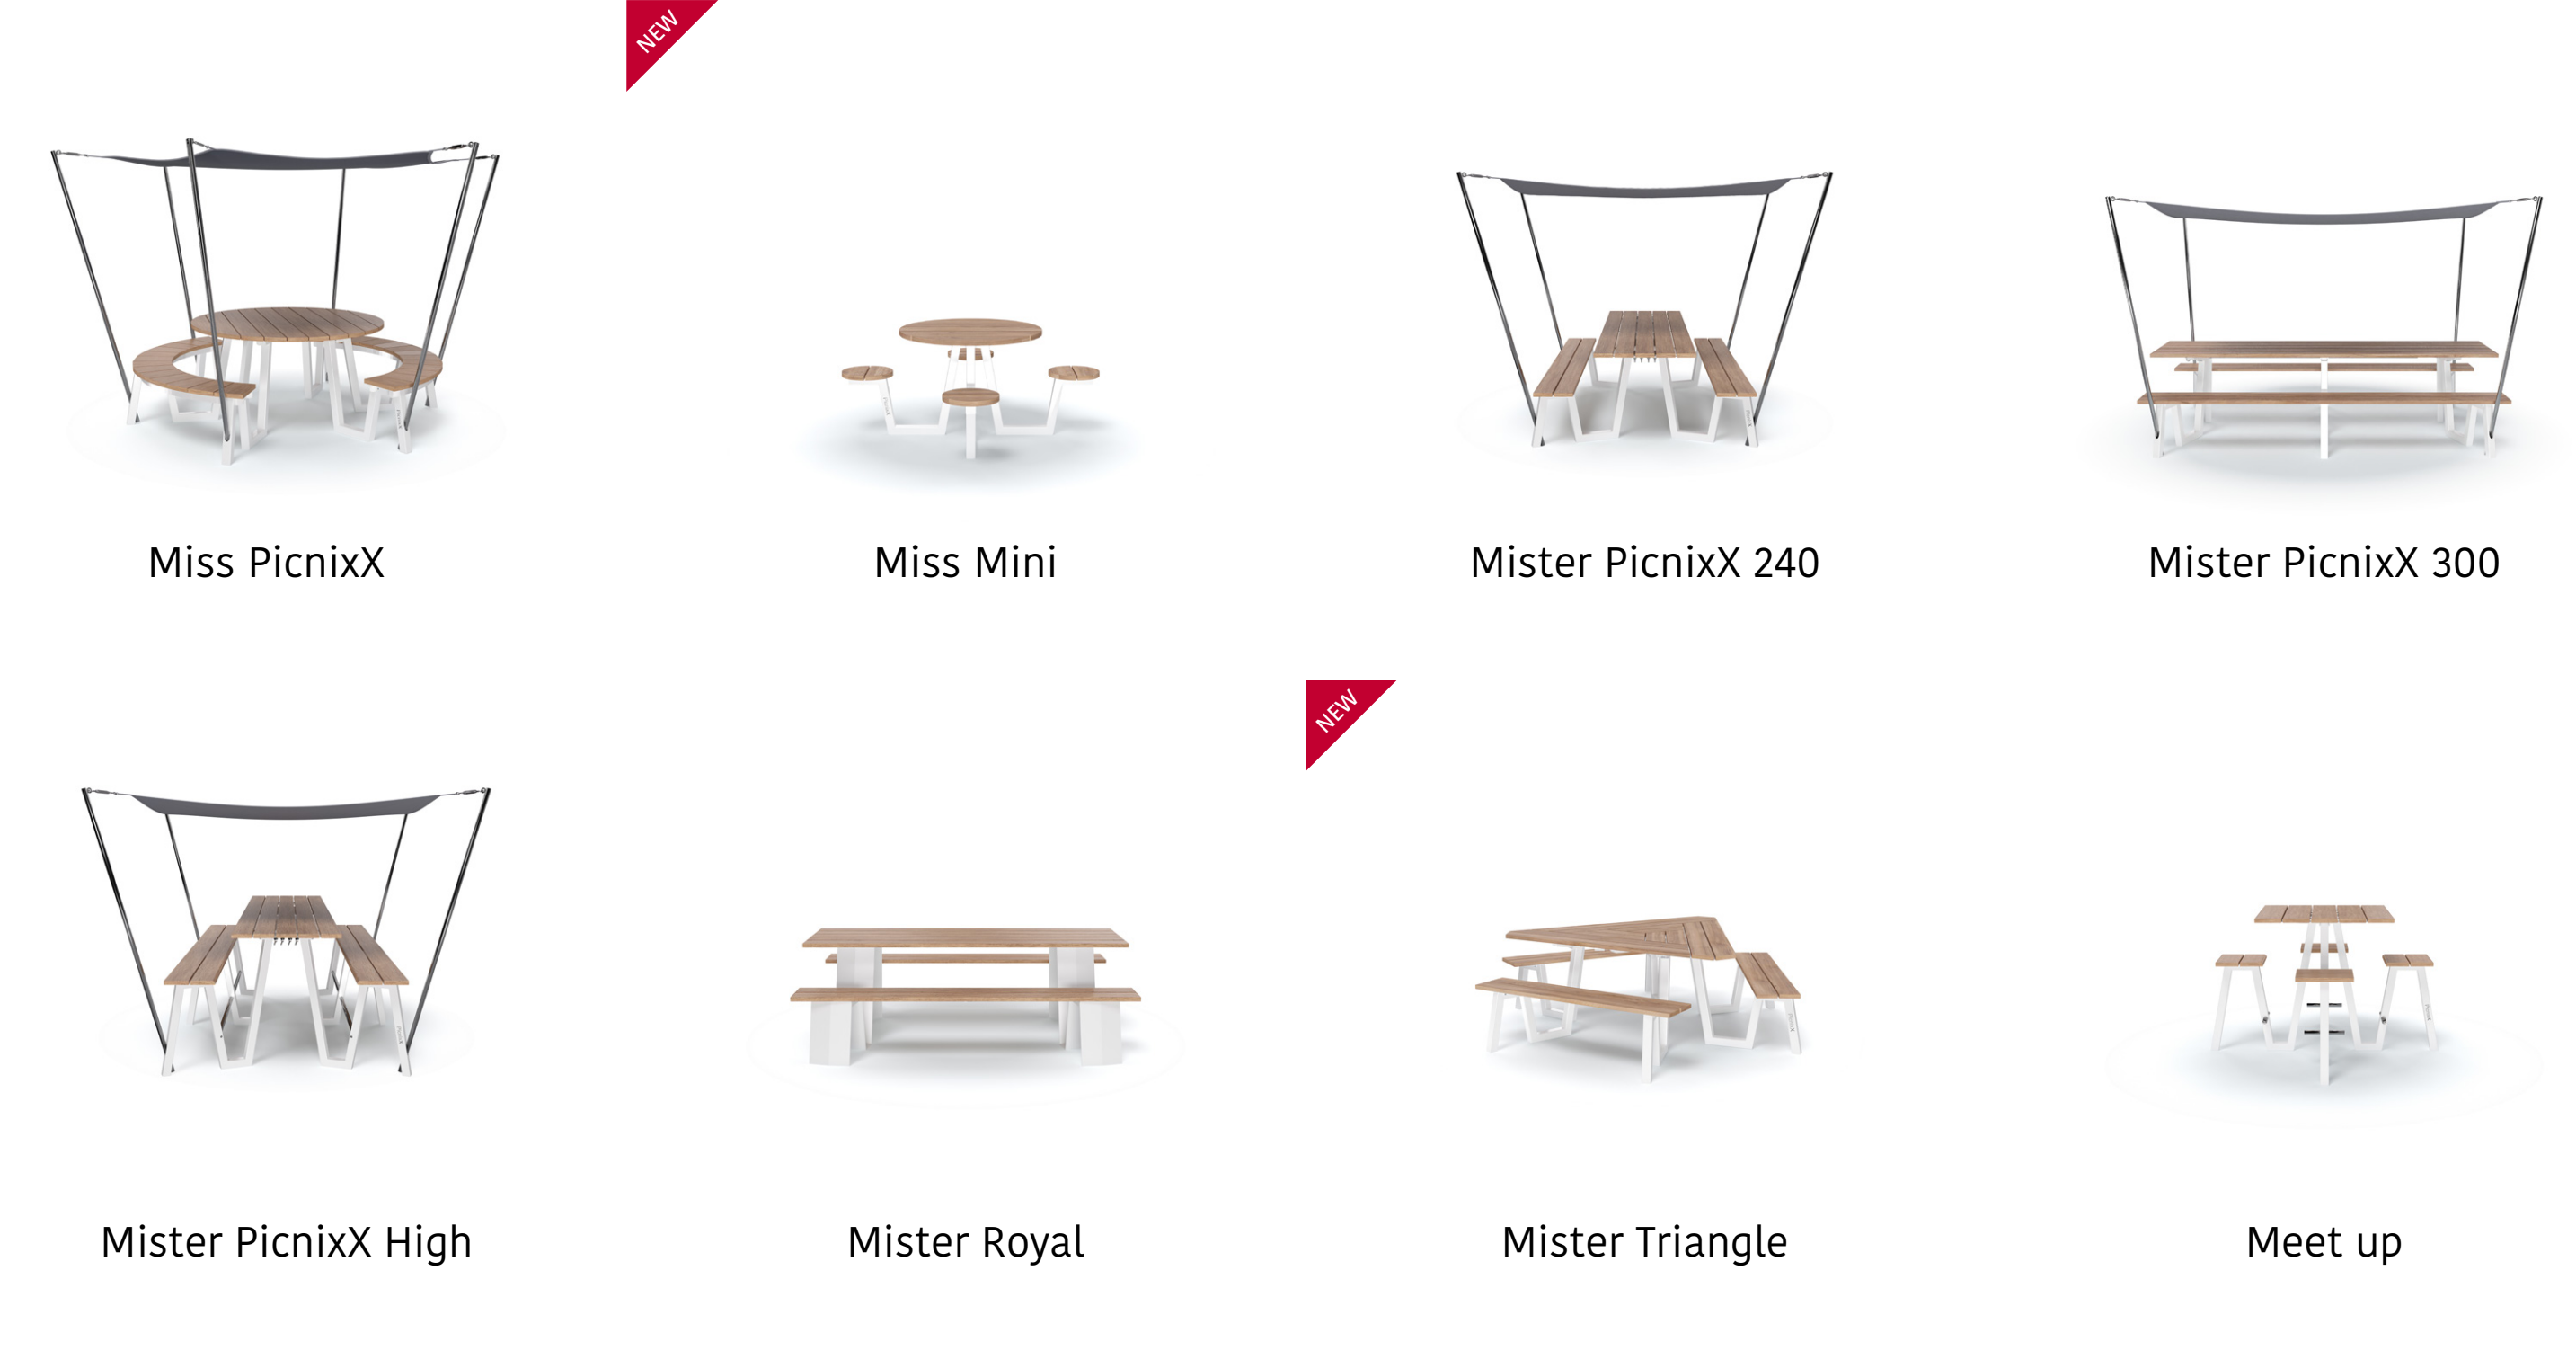

Welcome to the world of PicnixX. The PicnixX collection is a high-quality family of outdoor furniture. The design and functionality of this collection is unique. Whether you use our products indoors or outdoors, in a private or business environment; the design is recognizable, timeless, sustainable and above all; functional!

All PicnixX products are handmade. We only use the best materials and our staff has eye for every detail. Consequently, our products are extremely durable and have a very long-life span. We do this as efficient as possible to achieve the maximum design result within your budget.

The products are available in various configurations and options. We offer in addition to our standard products also tailormade products. As a result of that our possibilities of our collection are nearly endless.

We hope that our collection inspires you and we look forward to working with you to make the outdoor environment more beautiful and enjoyable.
